

Highways and road faults - advice sheet

Road related faults and highways enquiries.

In an emergency

If there is a fault to the highway or roadside furniture (e.g. bollards, lights, railings) which you believe poses a significant risk of harm, damage or could cause a road traffic collision please ring the police immediately on 999. For the deaf, hard of hearing or speech impaired call 18000 to use [Next Generation Text Service](#); or use [emergency SMS](#) so that we can risk assess the situation.

In a non-emergency

Any other problems with the highway will be the responsibility of the local highways department. Please follow the below link to report a highway problem to Warwickshire County Council

Warwickshire County Council
