We are pleased to be working in partnership with Polesworth Parish Council and have recently opened a police office in Tithe Barn, Polesworth. The office can be accessed by officers 24/7 and will enable greater police visibility in the area and hopefully speedier response times to incidents.

It is important to note though the location does not offer a front counter service and any incidents will still need to be reported the usual manner via 101 or online but it will assist officers in many of other aspects of their role. We thank the local parish council for their help in establishing the site and are looking forward to some close working relationships.

Courier Fraud

Do you know how to spot the signs of courier fraud?

- The police will never ask you to withdraw money as part of a covert investigation.
- The police will never ask you to withdraw money and hand it over for safe keeping.
- Don't assume a phone call is authentic just because someone knows your name and address.
- Just because someone knows a few basic details about you, it doesn't mean they are genuine.
- Your debit or credit card is yours. Don't let a stranger take it from you.

North Warwickshire Police Boxing Club

The boxing club is re-opening on 4th October 2021.

Whilst the North Warwickshire Police Boxing and Fitness club has been closed we have upgraded the equipment ready to open the doors again. We have installed a new protective floor after a grant from the Chief Constable of Warwickshire Police, we then installed 4 new boxing bags and purchased equipment after grants from the Police and Crime commissioner and local councillors Mr. Jarvis and Mr. Singh.

We are currently offering one to one sessions with youths who need urgent intervention. The boxing club will be going on tour. We'll be holding weekly sessions at Queen Elizabeth School, Hartshill School and Polesworth School after funding from Atherstone Town Council and Warwickshire County Council.

The club has been a huge success and has helped around 50 local youths in the 12 months since we opened the doors, the club has been noticed locally and nationally in both the public and private sector with lots of other Police Forces requesting information about what we do as they aim to replicate it in their own communities.

We're now on Instagram. Give us a follow on 'nwpbc_2021'

The club would not run without the help of local people and professional. For information on the club then please email loyd.walton@warwickshire.pnn.police.uk
